Mr. Tyreke McGovern
General Manager
Westport Country Playhouse

Dear Mr. McGovern:

Please accept this letter and enclosed résumé in application for the Acting Internship position described in *Peterson's Internships 2005*. I have attended several productions at your Playhouse and have always been impressed by both the technical and artistic quality of your shows.

As a third-year theater major at the Binghamton University, I have had the opportunity to perform in several plays. Most recently I had the lead role in *How to Succeed in Business Without Really Trying* and the role of Mark in *Rent*. I have tried to continually challenge myself as an actor, actively seeking out roles and experiences that would help my artistic development.

In addition to the opportunity to hone my acting skills, what interests me most about this internship is the added opportunity that it affords to teach youth acting classes. I have spent the last four summers at Oddfellow's Playhouse in Middletown, CT, working as a counselor for the Children's Circus. This position gave me the opportunity to work with a diverse group of children ranging in ages from five to fourteen. This combination of teaching and performing experiences, I believe, make me an excellent candidate for your internship position.

I would appreciate the opportunity to discuss this position with you further. If you have any questions or require any additional information, please don't hesitate to call me at (607) 555-9876. I look forward to hearing from you soon.

Sincerely,

Art C. Lover
